Plan an Autumn weekend in the beautiful Ottawa Valley

Saturday, October 2nd: OTTAWA VALLEY SALE

Balmenach Farm,

Arnprior, Ontario.

Monday, October 4th: SARAGUAY PRODUCTION SALE

Saraguay Farms,

Dalhousie Station, Quebec.

Foreword

The Ottawa Valley has long been known as the area to find top Shorthorn cattle. The year 1975 has to be a good example of what a "hot house" area the Ottawa Valley is for Canadian Shorthorns. The Grand Champion Bull at the 1975 Royal Agricultural Winter Fair; the Supreme Champion of the Canadian National Exhibition; the Grand Champion and Reserve Champion Bulls at the Atlantic Winter Fair; a First Prize Winner at the Canadian Western Agribition — these are just a few examples of the winnings compiled by breeders from this relatively small area of Canada.

The aggressive, competitive nature of these dedicated breeders is driving them on to bigger and better things each year. This year the decision was made to hold a joint sale of the area breeders (Eastern Ontario and Western Quebec) and you can rest assured they have gone all out to prove once again, why they are Shorthorn Breeders Extraordinaire.

See you at the Sale.

The Sale Managers,
Canadian Shorthorn Association

Albert A. Pepper

Secretary-Manager

"Agriculture is the most healthful, the most useful and the most noble employment of man — the creation, development and perpetuation of beautiful and practical forms of animal life is the particular branch of agriculture calling for the exercise of the highest order of human intellect and skills."

Terms and Conditions of Sale

TERMS: The terms are cash, or cheque at par, unless other arrangements are made with the Seller before the sale. All payments must be made to the Clerk of the Sale and no release will be given until satisfactory settlement has been made.

BIDS: The highest bidder shall be the buyer. In case of dispute, the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner.

RISK: All animals are at the purchaser's risk as soon as sold, but will be cared for during a reasonable length of time after the sale.

ERRORS: If errors are noted in the catalogue, announcements of corrections will be made from the auction stand, and such announcement will take precedence over the matter in the catalogue.

CERTIFICATE: Each animal is recorded, or will be recorded in the Herd Book of the Breed Association. (Transferred registry certificates will be forwarded to the purchaser of each animal).

SHIPPING: Assistance will be given in making shipment after the sale, but no risk is assumed by the Sale Management or Seller. Expenses incident thereto are for account of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

Immediate Delivery unless arrangements have been made with the sales management.

WARRANTIES:

1. Each seller warrants clear title to the animal and right to sell same.
2. Unless otherwise noted in the catalogue or announced from the Auction Stand each animal is sold as sound.
3. Each animal is sold as a breeder subject to the following conditions:
 - (a) **MALES:** Bulls are sold as being able to serve and settle healthy females after reaching 14 months of age where the buyer has provided reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller in writing within four months after the bull reaches 14 months of age. The seller will then have the privilege of six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price in making settlement to the buyer. Older bulls are warranted as breeders unless otherwise announced from the auction stand.
 - (b) **FEMALES:** Any female pregnant when sold or with calf at foot, or that has freshened normally within sixty days prior to the date of sale is by that fact considered a breeder. Should any female over 12 months of age, not pregnant when sold, fail to become pregnant within six months of the sale date, or by the time she has reached twenty-one months after having been bred regularly to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of six months' time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant but pregnancy is not guaranteed. Results of any pregnancy examinations will be announced, but no guarantee is given that a pregnant female will deliver live calves, or that they will carry calves full time, nor does he guarantee that the calf carried will not be mummified.
4. The seller is not responsible for damages caused by foreign bodies after the animal is sold, nor for sickness not apparent at sale time.
5. Above warranties cease when the animal is disposed of by the original purchaser.
6. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

ACCIDENTS: Although every precaution will be exercised to protect the safety and comfort of guests, neither the Auctioneers, Owners nor Sale Management will be responsible for condition of the grounds or behaviour of animals and disclaim any liability, legal or otherwise in the event of personal accident or property loss.

The above Terms and Conditions shall be a contract between the buyer and seller of each lot.
